I bagsy yours  
If you'll bagsy mine  
I'll take a chance  
If you'll take the blame  
Forget it  
Forget it

Boys are the same  
Brains in their pockets  
Girls are the same  
Knock it and rock it  
Remember  
Remember

I'm not a holy man  
I'm too lowly for that  
I'm not a praying man  
I'm not ready for that

If you'll bagsy mine  
I'll take a chance  
If you'll take the blame  
Forget it
