

# Echo & The Bunnymen, Ocean Rain

All at sea again  
And now my hurricanes have brought down this ocean rain  
To bathe me again  
My ship's a sail  
Can you hear its tender frame  
Screaming from beneath the waves  
Screaming from beneath the waves

All hands on deck at dawn  
Sailing to sadder shores  
Your port in my heavy storms  
Harbours the blackest thoughts

I'm at sea again  
And now your hurricanes have brought down this ocean rain  
To bathe me again  
My ship's a sail  
Can you hear its tender frame  
Screaming from beneath the waves  
Screaming from beneath the waves...

All hands on deck at dawn  
Sailing to sadder shores  
Your port in my heavy storms  
Harbours the blackest thoughts

All hands on deck at dawn  
Sailing to sadder shores  
Your port in my heavy storms  
Harbours the blackest thoughts

All at sea again  
And now my hurricanes have brought down this ocean rain  
To bathe me again  
My ship's a sail  
Hear its tender frame  
Screaming from beneath the waves  
Screaming from beneath your waves  
Screaming from beneath the waves  
Screaming from beneath the waves
