

# Echo & The Bunnymen, What Are You Going To

If I knew now what I knew then  
I'd wonder how not wonder when  
There's something going wrong again  
With me and mine  
It's only ever what it seems  
Memories and might have beens  
Heaven's scent: the smell of dreams  
We'll never find  
Tell me... tell me... tell me...

What are you going to do with your life?  
What are you going to do with your life?  
What are you going to do?  
What are you going to be?  
What am I going to do?  
I'm going to be me be me be me

If I could see what you can see  
The sun still shining out of me  
I'd be the boy I used to be  
When love was blind  
I'd let the light back in again  
And walk you to the tunnel's end  
I'll be yours and maybe then  
You'll be mine  
Tell me... tell me... tell me...

I will if you will... follow me down
