

# Echobelly, I Don't Belong Here

Stealing words along the silent smiles,  
Sleepy town held me down,  
waved good-bye,  
World unfolds, seashore swirl,  
horizon's the same,  
Destiny breeds a life of isolation,  
Give to me the bitter flesh of inspiration,  
Watch me future seed a gift from god.  
I don't belong here,  
I don't belong here,  
What I've said and done build a world in my arms.  
Lay down your guns,  
Lay down your sky,  
We are dreamers, dreamers a nightmare apart.  
I don't belong here,  
I don't belong here,  
I don't belong here,  
I don't belong,  
What I've said and done build a world of my own.
