Echosmith, Tell Her You Love Her (Ft. Mat Kearn

Tell her a story Tell her the honest tuth Make sure to see it through Don't be just everything she wants Be everything she needs

Tell her you love her too Give her a reason A reason to love all you do

She'll tel you a secrets You'll tell her secrets too She will tell you all her hopes and dreams You'll tell her too

When she says she loves you Tell her you love her too Tell her you love her too But don't you run away Tun away When you get tired Cause yhis will slip away Slip away And stars a fire
