

Econoline Crush, Digging The Heroine

Sinking farther than you've gone
Wanting more than all you got
It isn't as simple as it seems
Giving them everything they need

I'm playing the part
Digging the heroine
She's the one I want

What are you fighting for?
Everything and more
I'm holding out my hands
Why are you keeping score?
Battered and torn

I don't understand?

Shouting out loud but no one hears
Whispers to screams to tears
Easing your way from bad to worse
Losing your place, forgot the verse

It doesn't really matter
That I know the reason why
Stumble through deception
Fumble with your lines
Couldn't get attention
Couldn't be ignored
Begging for forgiveness
