

Econoline Crush, You Don't Know What It's Like

did you give up?
did it get easier?
did all those things you wanted
come together in the end?
was I the one?
was I even There?
did you ever really notice how I
never really cared?

she smiled and looked at me and said

you don't know what it's like(what its like what its like)
you don't know what it's like(what its like whats it like)
I feel like nothing at all
you don't know what it's like(what its like whats it like)

did you forget?
did you believe in it?
did all those things I promised
come up empty in the end?
any regrets?
any dreams you miss?
comfort comes with patience
serenity and ya

she smiled and looked at me and said

you don't know what it's like(what its like what its like)
you don't know what it's like(what its like whats it like)
I feel like nothing at all
you don't know what it's like(what its like whats it like)
