

Ecstasy, ATB

Have you ever noticed,
That Im not acting as I used to do before?
Have you ever wondered,
Why I always keep on coming back for more?
What have you done to me,
Ill never be the same I'll tell you for sure
Ill never be the same I'll tell you for sure
Ill never be the same I'll tell you for sure
You really are my ecstasy,
My real life fantasy, oh yeah
You really are my ecstasy,
My real life fantasy, oh yeah
Not that Im complaining,
A more beautiful vision - I have never seen
If you dont mind me saying,
A lifelong ambition to fulfill my dream
What have you done to me,
Ill never be the same I'll tell you for sure
Ill never be the same I'll tell you for sure
Ill never be the same I'll tell you for sure
You really are my ecstasy,
My real life fantasy, oh yeah
You really are my ecstasy,
My real life fantasy, oh yeah
You really are my ecstasy,
(There can be no other
While we still have each other)
My real life fantasy, oh yeah
You really are my ecstasy,
(There can be no other
While we still have each other)
My real life fantasy, oh yeah
You really are my ecstasy,
(There can be no other
While we still have each other)
My real life fantasy, oh yeah
