

Ed Sheeran, Boat

Came in through the embers
Stayed out for the breeze
I need to feel elements to remind me
There's beauty when it's bleak

Stuck out long before lights down
Why do I breathe? Oh, I know

The more that I love, the less that I feel
The times that I jumped never were real
They say that all scars will heal, but I know
Maybe, I won't
But the waves won't break my boat
But the waves won't break my boat

Stones crash on the boardwalk
The wind rush through the trees
I'll keep my eyes peeled
The memories always fall short
Of what we could've been

Left out long before last call
What do I need? Oh, I know

The more that I love, the less that I feel
The times that I jumped never were real
They say that all scars will heal, but I know
Maybe, I won't
But the waves won't break my boat
But the waves won't break my boat

But the waves won't break my boat
The waves won't break my boat

The more that I love, the less that I feel
The times that I jumped never were real
They say that all scars will heal, but I know
Maybe, I won't
And the waves won't break my boat
