Ed Sheeran, Cold Coffee

She's like cold coffee in the morning I'm drunk off last nights whisky and coke She'll make me shiver without warning And make me laugh as if I'm in on the joke

And you can stay with me forever Or you could stay with me for now

Tell me if I'm wrong Tell me if I'm right Tell me if you need a loving hand To help you fall asleep tonight Tell me if I know Tell me if I do Tell me how to fall in love the way you want me to

I'll wake with coffee in the morning But she prefers two lumps of sugar and tea Outside the day is up and calling But I don't have to be so, please go back to sleep

Stay with me forever Or you could stay with me for now

Tell me if I'm wrong Tell me if I'm right Tell me if you need a loving hand To help you fall asleep tonight Tell me if I know Tell me if I do Tell me how to fall in love the way you want me to

'Cause I love the way you wake me up For goodness sake will my love not be enough?

Tell me if I'm wrong Tell me if I'm right Tell me if you need a loving hand To help you fall asleep tonight Tell me if I know Tell me if I do Tell me how to fall in love the way you want me to

Tell me if I'm wrong Tell me if I'm right Tell me if you need a loving hand To help you fall asleep tonight
