

# Ed Sheeran, Drunk

I wanna be drunk when I wake up  
On the right side of the wrong bed  
And every excuse I made up  
Tell you the truth I hate  
What didn't kill me  
It never made me stronger at all.  
Love will scar your make-up lip sticks to me  
So now I'll maybe leave back there  
I'm sat here wishing I was sober  
I know I'll never hold you like I used to.

But our house gets cold when you cut the heating  
Without you to hold I'll be freezing  
Can't rely on my heart to beat it  
'Cause you take part of it every evening  
Take words out of my mouth just from breathing  
Replace with phrases like when you're leaving me.

Should I, should I?  
Maybe I'll get drunk again  
I'll be drunk again  
I'll be drunk again  
To feel a little love

I wanna hold your heart in both hands  
I'll watch it fizzle at the bottom of a Coke can  
And I've got no plans for the weekend  
So shall we speak then  
Keep it between friends  
Though I know you'll never love me like you used to.

There maybe other people like us  
You see the flicker of the clip when they light up  
Flames just create us, burns don't heal like before  
You don't hold me anymore.

On cold days Coldplay's out like the band's the name  
I know I can't heal things with a hand shake  
You know I can't change as I began saying  
You cut me wide open like landscape  
Open bottles of beer but never champagne  
We'll applaud you with the sound that my hands make.

Should I, should I?  
Maybe I'll get drunk again  
I'll be drunk again  
I'll be drunk again  
To feel a little love.

All by myself  
I'm here again  
All by myself  
You know I'll never change  
All by myself  
All by myself  
I'm just drunk again  
I'll be drunk again  
I'll be drunk again  
To feel a little love.
