

# Ed Sheeran, I'm A Mess

Oh I'm a mess right now  
Inside out  
Searching for a sweet surrender  
But this is not the end  
I can't work it out  
How going through the motions  
Going through us  
And oh I've known it for the longest time  
And all of my hopes  
All of my own words  
Are all over written on the signs  
But you're on my road  
Walking me home

See the flames inside my eyes  
It burns so bright I wanna' feel your love  
Easy baby maybe I'm a liar  
But for tonight I wanna' fall in love  
Put your faith in my stomach

I messed up this time  
Late last night  
Drinking to suppress devotion  
With fingers intertwined  
I can't shake this feeling now  
We're going through the motions  
Hoping you'd stop

And oh I've only caused you pain  
I know but all of my words will always below  
Of all the love you spoke  
When you're on my road  
Walking me home

See the flames inside my eyes  
It burns so bright I wanna' feel your love  
Easy baby maybe I'm a liar  
But for tonight I wanna' fall in love  
Put your faith in my stomach

And for how long, I love, my lover (x4)  
I feel love! I feel it all over now! (x4)  
I feel love!  
And for how long, I love, my lover (x4)
