

Ed Sheeran, I See Fire (The Hobbit The Desolation of Mordor)

Oh, misty eye of the mountain below
Keep careful watch of my brothers' souls
And should the sky be filled with fire and smoke
Keep watching over Durin's son

If this is to end in fire
Then we should all burn together
Watch the flames climb high into the night
Calling out father, oh, sent by and we will
Watch the flames burn on and on
The mountain side

And if we should die tonight
Then we should all die together
Raise a glass of wine for the last time
Calling out father, oh
Prepare as we will
Watch the flames burn on and on
The mountain side

Desolation comes upon the sky

Now I see fire
Inside the mountain
I see fire
Burning the trees
And I see fire
Hallowing souls
And I see fire
Blood in the breeze
And I hope that you remember me

Oh, should my people fall in
Surely I'll do the same
Confined in mountain halls
We got too close to the flame
Calling out father, oh
Hold fast and we will
Watch the flames burn on and on
The mountain side

Desolation comes upon the sky

Now I see fire
Inside the mountains
I see fire
Burning the trees
And I see fire
Hallowing souls
And I see fire
Blood in the breeze
And I hope that you remember me

And if the night is burning
I will cover my eyes
For if the dark returns then
My brothers will die
And as the sky's falling down
It crashed into this lonely town
And with that shadow upon the ground
I hear my people screaming out

Now I see fire
Inside the mountains

I see fire
Burning the trees
And I see fire
Hallowing souls
And I see fire
Blood in the breeze

I see fire,
(Hh you know I saw a city burning)
Fire
And I see fire,
(Feel the heat upon my skin)
Fire
And I see fire
Fire
And I see fire burn on and on and mountains side
