

Ed Sheeran, Salt water

Utwór 'Saltwater' z albumu 'Subtract' od Ed Sheeran (premiera 5 maja 2023r.)

Is this so far to go?
And I can't feel my toes
When the rain soaks through the hills
And slips to the soul
Yeah, the blades are two feet tall
Awaiting green, I'm moving forward to where God only knows
Feel the winds harsh for frame
And the clouds grip my face
Saying it's alright to run from all this pain
Oh, when it's time to go
With one last breathe that's in my loins
I scream, "It's all for love"
I scream, "It's all for love"

Come kiss me, salt water
Oh, finally, I feel it, three or four degrees
I'm free in salt water
Embrace the deep end, leave everything
It was just a dream

I can see it out the head
Where the sky, we stand ground
And after that there's only blue and gray
I am full up with regret
With things I did or never said, just leave that well alone

And, come kiss me, salt water
Oh, finally, I feel it, three or four degrees
I'm free in salt water
Embrace the deep end, leave everything
It was just a dream

Ah-ah
It was just a dream
Was it just a dream?
It was just a dream
Ah-ah
It was just a dream
Was it just a dream?

Now I'm standing on the edge
Gazing into Hell
Or is it something else?
I just can't tell
And when there's nothing left
I close my eyes and take one step
And say, "Well, here it goes"
Say, "Well, here it goes"

And, come kiss me, salt water
Oh, finally, I feel it, three or four degrees
I'm free in salt water
Embrace the deep end, leave everything
It was just a dream
