

Ed Sheeran, Small Bump

You just a small bump unborn for 4 months you brought to life
You might be left with my hair but you'll have your mother's eyes
I'll hold your body in my hands be as gentle as I can
But for now you're a scan of my unmade plans
A small bump, in 4 months you're brought to life

I'll whisper quietly,
And give you nothing but truth
If you're not inside me
I put my future in you

You are my one and only
You can wrap your fingers round my thumb
and hold me tight
Oh you are my one and only
You can wrap your fingers round my thumb
and hold me tight
And you'll be alright.

You're just a small bump unknown
You'll grow into your skin
With a smile like hers
And a dimple beneath your chin
Finger nails the size of a half grain of rice
Eyelids closed to be soon opened wide
A small bump, in 4 months you'll open your eyes

I'll hold you tightly
I'll tell you nothing but truth
If you're not inside me
I put my future in you
You are my one and only
You can wrap your fingers round my thumb
and hold me tight
Oh you are my one and only
You can wrap your fingers round my thumb
and hold me tight
And you'll be alright.

And you can lay with me, with your tiny feet when you're half asleep
I'll leave you to be
Right in front of me for a couple weeks
So I can keep you safe

Cos you are my one and only
You can wrap your fingers round my thumb
and hold me tight
You are my one and only
You can wrap your fingers round my thumb
and hold me tight
And you'll be alright.

Cos you just a small bump unborn for 4 months then torn from life
Maybe you were needed up there but we're still unaware as why
