

Ed Sheeran, The Hills of Aberfeldy

Utwór 'The Hills of Aberfeldy' z albumu 'Subtract' od Ed Sheeran (premiera 5 maja 2023r.)

Oh, leaves are covered in snow
And the water's frozen
Oh, I long for you to be the one that I'm holding
And warm me down to my bones
As you lay beside me, hold me close
Oh, leaves are starting to fall
And the sun goes cold
And my heart might break from the way of it all
For all that I know
You could be holding someone, yes, it's cold

So when I'm home
I'll hold you like I'm supposed to
Yet I know
I have never told you
Darling, we fall in love with the hills of Aberfeldy

Oh, the ground is slowly mounting
And the sun beats strong
And I feel like my feet may have wondered too long
And I will remain here alone
'Cause I fear that you may have found someone

So when I'm home
I'll hold you like I'm supposed to
Yet I know
I have never told you
Darling, we fall in love with the hills of Aberfeldy
Darling, we fall in love with the hills of Aberfeldy
