

Eddi Reader, Ocean Love

Come close your eyes, take my hand
why don't you jump with me
deep into the great unknown,
a fantasy.

An ocean to be explored
where no one's gone before
wonders everywhere,
I'll take you there.

Ooh-eee Ooh-eee, deep in the sea,
I'll show you what I'm dreamin' of.
Ooh-eee Ooh-eee, jump in with me,
let me be your ocean love.

A million dazzling sights
a trick of magic light
leads you through a green glow haze
into a cave.

A silver gleaming in pearls
it's such a wonder world;
see the coral reef,
beyond belief.

Ooh-eee Ooh-eee, deep in the sea,
I'll show you what I'm dreamin' of.
Ooh-eee Ooh-eee, jump in with me,
let me be your ocean love.
