

Eddie Friel, Dreamin' (Eurovision 1995)

Dreamin'
Dreamin' on a silver sea of moonlight
Magic fills the night
Melodies alight, when I'm dreamin'
Dreamin'
Dreamin' how I love this nowhere feelin'
Round and round I go
Shadows soft and low, when I'm dreamin'
You can sail on any ocean
Dream an easy melody
Moonlight magic shines so gently
Moonlight magic harmony
Night time slips away in silence
(Dreamin')
And daylight steals across my silver sea
And goodbye dreamin' in the moonlight
(Goodbye)
Sleepy wake up to reality
La la la
La la la la la la la la la la
La la la la la
Underneath the stars, dreamin'
Faraway a blue horizon
Driftin' on the midnight sea
Moonlight magic shines so gently
Moonlight magic harmony
(Dreamin')
(La la la la la la la la la la la)
Sleepy wake up to reality
(Dreaming)
