Eddie Holman, Hey There Lonely Girl

Hey there lonely girl Lonely girl Let me make your broken heart like new Hey there lonely girl Lonely girl Don't you know this lonely boy loves you

Ever since he broke your heart You seem so lost Each time you pass my way How I long to take your hand And say, don't cry I'll kiss your tears away

Hey lonely girl My only girl Let me make your broken heart like new Hey there lonely girl Lonely girl Don't you know this lonely boy loves you

You think that only his two lips Can kiss your lips And make your heart stand still But once you're in my arms you'll see No one can kiss Your lips the way I will The way I will

Hey there lonely girl Lonely girl Let me make your broken heart like new Hey there lonely girl Lonely girl Don't you know this lonely boy loves you Don't you know this lonely boy loves you
