Eddie Money, I Think I'm In Love

Ooh, something's got a hold of me now It's a feeling, burnin' up like I'm on fire Hold me tight babe, don't leave me by myself tonight 'Cause I don't think I can make it through the night

I think I'm in love And my life's lookin' up I think I'm in love 'Cause I can't get enough I think I'm in love It's gotta be love

It surrounds me, ooh, like a sea of madness It controls me, makes me do all the things I do for you On my mind babe, thinkin' about you now And I don't know if I'll make it through the night

I think I'm in love And my life's lookin' up I think I'm in love 'Cause I can't get enough I think I'm in love It's gotta be lov

I think I'm in love and love's enough

I think I'm in love And my life's lookin' up I think I'm in love 'Cause I can't get enough I think I'm in love It's gotta be lov

Baby help me do it There must be something to it I know it's gotta be love
