## Eddie Vedder, Long Nights

Have no fear For when I'm alone I'll be better off than I was before

I've got this light I'll be around to grow Who I was before I cannot recall

Long nights allow me to feel... I'm falling...I am falling The lights go out Let me feel I'm falling I am falling safely to the ground Ah...

I'll take this soul that's inside me now Like a brand new friend I'll forever know

I've got this light And the will to show I will always be better than before

Long nights allow me to feel... I'm falling...I am falling The lights go out Let me feel I'm falling I am falling safely to the ground
