

# Eddy Antonini, Sun (Keeper Of The Dreams)

(Musica: Eddy Antonini e Roberto Potenti)

(Testi: Eddy Antonini)

Sun that burn my day is coming now  
soldier sends his pray to save our time.  
Like a child in the night  
like a bat in the light you are coming to steal all my secrets.  
I'm a whisper that flies  
since your ice became blind  
I can't stand you  
but I won't face your soul.

Take your disguise  
send your song and pray  
live and let die  
start to play the game.

When you cry, I'll cry  
when you scream, I'll scream  
when you lose  
I'll stay with you to let you win.  
When you feel the pain  
when you scream my name  
I will be the keeper of your dreams.

Sun that light our day is coming now  
and I'll send my pray towards the light.  
Like a rainbow in the dark  
like a beat of my heart you are coming to kill me again.  
I'm a bird without wings  
but I need your sweet dreams  
now my life really depends on you.

Walking in the dark  
I'm going to give my life to you  
please let me start  
and I will show the truth.

When you cry, I'll cry  
when you scream, I'll scream  
when you lose  
I'll stay with you to let you win.  
When you feel the pain  
when you scream my name  
I will be the keeper of your dreams.

Are you crying?  
We will rise!  
Are you lonesome?  
We will come!  
Don't be afraid the stars are fighting  
WINNER IS THE SUN.

Don't be afraid the stars are fighting  
WINNER IS THE SUN.

Are you crying?  
We will rise!  
Are you lonesome?  
We will come!  
Don't be afraid the stars are fighting  
WINNER IS THE SUN.

Don't be afraid the stars are fighting

WINNER IS THE SUN.

Lord I'll send my prayer  
I'm wasting my time  
don't walk the streets of pain  
shall I bring back your mind?  
... I'll take another day.
