ACROSS THE WIDE MISSOURI

(Ervin Drake - Jimmy Shirl)

'55 Jericho Music

My lady love she stands a waitin' far across the wide Missouri

On the banks I hear her calling to me

A ro a ro la lee across wide Missouri a ro a ro la lee across wide Missouri

For seven years I've been a roamin' seven years I led the valley

Now I live just for my true love to see

A ro a ro la lee across wide Missouri a ro a ro la lee across wide Missouri

I'm pushin' off when dawn is breaking goin' cross the wide Missouri

Where my love she stands a waitin' for me

A ro a ro la lee across wide Missouri

A ro a ro la lee across wide Missouri (a ro la lee)
