

# Eddy Arnold, Glory of Love (RCA Victor) (1969)

You've got to give a little take a little and let your poor heart break a little  
That's the story of that's the glory of love  
You've got to laugh a little cry a little before the clouds roll by a little  
That's the story of that's the glory of love

As long as there's the two of us we've got the world and all its charms  
And when the world is through with us we've got each other's arms  
You've got to win a little lose a little and always have the blues a little  
That's the story of that's the glory of love
