

Eddy Arnold, Help Me Make It Through The Night

Take the ribbons from your hair shake it loose and let it fall
Laying soft against my skin like the shadows on the wall

Come and lay down by my side till the early morning light
All I'm taking is your time help me make it through the night

I don't care who's right or wrong I don't try to understand
Let the devil take tomorrow Lord tonight I need a friend

Yesterday is dead and gone and tomorrow's out of sight
And it's sad to be alone help me make it through the night
[strings]
And it's sad to be alone help me make it through the night
And it's sad to be alone help me make it through the night
