

# Eddy Arnold, It Had To Be You

It had to be you it had to be you  
I wandered around and finally found the somebody who  
Could make me be true could make me be blue  
And even be glad just to be sad thinking of you  
Some others I've seen might never be me  
Might never be crossed or tried to be bossed but they wouldn't do  
For nobody else gave me a thrill with all your faults I love you still  
It had to be you wonderful you it had to be you  
It had to be you...
