

# Eddy Arnold, Tip Of My Fingers

I reached out my arms and I touched you  
With soft words I whispered your name  
I held you right on the tip of my fingers  
But that was as close as I came

My eyes had vision of sweet lips  
Yeelding beneath my command  
I had your love on the tips of my fingers  
But I let it slip right through my hands  
But I let it slip right through my hands

Somebody took you when I wasn't looking  
And I should have known from the start  
It's a long long way from the tip of my fingers  
To the love hidden deep in your heart  
To the love hidden deep in your heart

I had your love on the tips of my fingers  
But I let it slip right through my hands  
Yes I let it slip right through my hands
