

# Eddy Arnold, Today

Have I given anything today  
Have I helped some needed soul on the way  
From the dawn till setting sun have I wounded anyone  
Shall I weep for what I've done today

Oh today oh the day oh the day  
Have I failed some greater flame on the way  
Just to know I've done my best as I go to take my rest  
Let my name be blessed today

(Have I made some person glad today  
Did I help someone who had a mortal day )  
Did I cancel with the sad try to make some poor heart glad  
Answer wisdom what I had today)

Oh today oh the day...
