

Eddy Current Suppression Ring, Which Way To Go

Well I weigh up my pros
And I weigh up my cons
And I weigh up my evens
And I even out the odds
And I still dont know which way to go

Well I weigh up the wills
And I weigh up the wonts
And I weigh up the negatives
And compare them to the positives
And I still dont know which way to go

Well I looked up north
And I looked down south
And I looked to the east
And the west was the best
And I still dont know which way to go

Hand it to me on a platter
Gold or silver doesnt matter
We're easy as it can be
Hand it on over to me
It's how I wanna, how I wanna go
It's how I wanna, how I wanna go
How I wanna go
How I wanna go
How I wanna go

Well I weighed up the pros
And I weighed up the cons
And I weighed up my evens
And I evened out the odds
And I still dont know which way to go

Well I weighed up the negatives
And compare them to the positives
And I still dont know which way to go
Which way to go
Which way to go
Which way to go
