Eddy Grant, Till I Can't Take Love No More

I don't know what to do
I don't know what to say.
I never had a love
to measure up to your love.
And all the little ways
that you been good to me

I've never been afraid
oh
come and give me your love.
Till I can't take love no more
give me love.
Till I can't take no more
till I can't take love no more
till I can't.
And if I had to bet on all the loves I've had

Come on
don't be sad
ten to one its your love.
It would run away with every single place.
Oh
sweet love is this
come on
give me more love.
Till I can't take love no more
give me love.
Till I can't take no more
till I can't take love no more

Give me love till I can't take no more.
And all the little ways
that you been good to me

I've never been afraid
oh
come and give me your love.
It would run away with every single place.
Oh
sweet love is this
come on
give me more love.

Till I can't take love no more
give me love. . . .
Till I can't take love no more
give me love. . ..
Till I can't take love no more
give me love. . . .
