

Eden's Bridge, More Than This

Silence and moonlight
Treetops, the breeze
Morning and snowflakes
Coldness, the freeze
Autumn and laughter
Raindrops and smiles
Tall mountains, deep canyons
Beginnings, the extra mile
What do you think important to Me?
What do you think?
What do you think?
What do you think important to Me?
I love you more

More than rainbows and shadows
More than good things, more than time
More than sparrows and ravens
More than sunshine, more than life

I love you more than this
I love you more
