

Eden's Crush, What's Good 4 The Goose

Yeah yeah

(Ivette, Rosanna) Yeah, yeah (Maile, Ana Maria, Nicole)

Yeah, yeah, yeah, yeah (are makin' out with the fellas)

(Is that all right?)

(Let's go)

You wanna hang with the boys tonight (then do it)

I'm waiting right here for you (don't abuse it)

Wanna know how I feel

Here's the answer

What's good for the goose is good for the gander

Mean what you say

Mean what you do

'Cause it could all come back to you (that's okay)

I know your games

I've played them too

But how it ends is up to you (how it ends is up to me)

When I come tell ya that it's ladies night

Whatcha gonna do?

Whatcha gonna do?

Don't go looking now to start a fight

It all comes back to you

If you wanna hang with the boys tonight (then do it)

I'm waiting right here for you (don't abuse it)

If you wanna know how I feel

Here's the answer

Follow your lead

I'll be right here

Put your mind at ease (yeah)

As long as you know

The steps that you make

Are taking us down a two way street (down a two way street)

When I come tell ya that it's ladies night

Whatcha gonna do?

Whatcha gonna do?

Don't go looking now to start a fight

That won't do

That won't do

Still allowed to hang out when you're home asleep

Whatcha gonna do?

Whatcha gonna do?

Now you see how I felt the other week

It all comes back to you so

You wanna hang with the boys tonight (then do it)

While I'm waiting right here for you (don't abuse it)

Do what you say and not what you do
Whatcha gonna do?

Expect everything you say to be true
And that won't do
That won't do
Hanging all night while I wait for you
Whatcha gonna do?
A new day is gonna come
So what ya gonna do?
It's gonna come back to you
