

Edgar Winter, Keep On Rockin'

Well it ain't no thing bein' king
When you got a fast car and a song to sing
Alright, alright
But when the chips are down and it's soul to soul
There ain't no remedy like rock 'n' roll
Alright, alright

When you're band is on the run
And you barely have a clue
When you bought a smokin' gun
And you don't know what to do ... just

Keep on, keep on
Gota keep on rockin'
Keep on, keep on
Good times at the door knockin'
Keep on, keep on
Gota keep on rollin'
Keep on til you lose control
And rock until you drop
Ain't never gona stop
ROCKIN'

Ain't no excuse and there ain't no use
In playin' it cool when you oughta be cuttin' loose
That's right
You're afraid to fly but you wanta get high
You never leave the ground and you wonder why
Woh that's right

When you just did the time
And the border seems so far
When your name ain't worth a dime
Forget about who you are ... yeahea

Keep on, keep on
Gota keep on rockin'
Keep on, keep on
Good times at the door knockin'
Keep on, keep on
Gota keep on rollin'
Keep on til you lose control
And rock until you drop
Ain't never gona stop
ROCKIN'

(solos)

Keep on, keep on
Gota keep on rockin'
Keep on, keep on
Good times at the door knockin'
Keep on, keep on
Gota keep on rollin'
Keep on til you lose control
And rock until you drop
Ain't never gona stop
ROCKIN'
