

# Edgar Winter & Rick Derringer, Keep Playing Tha

Don't you know that I was sittin' back in Texas  
[hah]  
I was playin' those rhythm and blues  
And then I got a big offer  
For more money than I could refuse

I had my chance to make it  
Playin' anything I wanted to play  
But playing back in my mind  
You know I could hear the people say

Keep playin' that rock and roll  
Keep doin' what you been told  
[whoo]  
Save your money up for when you get old  
Got to keep playin' that rock n' roll

So I packed up and I made up to New York  
[hah]  
Where my brother was a great big star  
He was doin' funky music [yeah]  
Singin' and playin' guitar

Johnny was makin' the big time  
Everything was goin' his way  
But playing back in my mind  
You know I could hear the people say

Keep playin' that rock and roll  
Keep doin' what you been told  
Save your money up for when you get old  
Got to keep playin' that rock n' roll [Ya-oooo]

Don't you know that I been [grooin'] like a baby  
Well I have been tryin' hard to figure it out  
But there's a certain kinda music [yea]  
Got to make you jump and shout

Ooh, now you can call it commercial  
If you wanna see it that way  
But playing back in my mind  
You know I could hear the people say

Keep playin' that rock and roll  
Keep doin' what you been told  
Save your money up for when you get old  
Keep playin' that rock and roll

Hah, ya got to keep on playin' [ya got to keep on playin']  
Hah, ya got to keep on playin' [oh, oh, keep on playin']  
Ya got to keep on playin' [ya got to keep on playin']  
That rock and roll

Ooooh, keep playin' that rock and roll  
Keep doin' what you been told  
Save your money up for when you get old  
Gotta to keep playin' that rock and roll

Rock and Roll [Rock and Roll]  
Satisfy my soul
