

Edie Brickell, I Do

People pointing finger painting the world
Leaving me their silhouette on my life
And I'm filling in the negative space with
positively everything

I do, I do
And it's all because of you
I do, I do
And it's all because of you

It's not emotion I feel for you
It's not devotion that I want from you

I want someone to follow
Who doesn't lead the way
I want someone to listen who
won't repeat what I say

And I'm feeling in the negative space with
positively everything

I do, I do
And it's all because of you
I do, I do
And it's all because of you
