

Edie Brickell, Love Like We Do

Life is better than the days behind
Whats mine is yours & whats yours is mine
No aggravation that we can't get through
a situation for the lucky few

And every day is just a little more
of time together to be happy for
I'm happy even when the times are rough
'Cause any time with you is good enough
When we...Love like we do

I don't believe in hatred anymore
I hate to think of how I felt before
When anger overwhelms your very soul
it's hard to realize you'll ever know
Love like we do
