

Editors, An End Has A Start

I don't think that it's
Gonna rain again today
There's a devil at your side,
But an angel on the way

Someone hit the light,
Cause there's more here to be seen
When you caught my eye,
I saw everywhere I'd been
And wanna go to...

You came on your own,
And that's how you'll leave
With hope in your hands,
And air to breathe

I won't disappoint you,
As you fall apart
Some things should be simple,
Even an end has a start

Someone hit the light,
Cause there's more here to be seen
When you caught my eye,
I saw everywhere I'd been
And wanna go to...

You came on your own,
And that's how you'll leave
With hope in your hands,
And air to breathe
You'll lose everything,
By the end,
Still my broken limbs,
You find time to mend

More and more people I
Know are getting ill
Pull something good from the
Ashes now be still

You came on your own,
That's how you'll leave
With hope in your hands,
And air to breathe,
You'll lose everything
By the end,
Still my broken limbs,
You choose to mend

You came on your own,
That's how you'll leave
You came on your own,
That's how you'll leave

You came on your own
You came on your own
