

# Editors, An End Has A Start

I don't think that it's  
Gonna rain again today  
There's a devil at your side,  
But an angel on the way

Someone hit the light,  
Cause there's more here to be seen  
When you caught my eye,  
I saw everywhere I'd been  
And wanna go to...

You came on your own,  
And that's how you'll leave  
With hope in your hands,  
And air to breathe

I won't disappoint you,  
As you fall apart  
Some things should be simple,  
Even an end has a start

Someone hit the light,  
Cause there's more here to be seen  
When you caught my eye,  
I saw everywhere I'd been  
And wanna go to...

You came on your own,  
And that's how you'll leave  
With hope in your hands,  
And air to breathe  
You'll lose everything,  
By the end,  
Still my broken limbs,  
You find time to mend

More and more people I  
Know are getting ill  
Pull something good from the  
Ashes now be still

You came on your own,  
That's how you'll leave  
With hope in your hands,  
And air to breathe,  
You'll lose everything  
By the end,  
Still my broken limbs,  
You choose to mend

You came on your own,  
That's how you'll leave  
You came on your own,  
That's how you'll leave

You came on your own  
You came on your own
