City's breaking down on a camel's back.
They just have to go 'cos they don't know wack
So while you fill the streets, it's appealing to see.
You won't get out the county, 'cause you're bad and free.

Windmill, windmill for the land
Turn forever
Hand in hand
Take it all there on your stride
It is ticking falling down...
Love forever, Love is free
Lets turn forever
You and me
Windmill, windmill for the land-
Is everybody in?

You've got a new horizon, its ephemeral style,
A melancholy town where we never smile.
And all I wanna hear is the message beep.
My dreams, they gotta kiss me, 'cause I don't get sleep, no...

Windmill, windmill for the land
Turn forever
Hand in hand
Take it all there on your stride
It is ticking falling down...
Love forever, Love is free
Lets turn forever
You and me
Windmill, windmill for the land-
Is everybody in?
