

# Editors, Find Yourself A Safe Place

You don't give as good as you get  
You should know it's not over yet  
Find yourself a safe place to get to  
In our prayers, we pray for you

You just repeat yourself, stuck in another rut  
You just repeat yourself, stuck in another rut  
You just repeat yourself, stuck in another rut  
You just repeat yourself, stuck in another rut

You don't give as good as you get  
You should know it's not over yet  
Find yourself a safe place to get to  
In our prayers, we pray for you

You just repeat yourself, stuck in another rut  
You just repeat yourself, stuck in another rut  
You just repeat yourself, stuck in another rut  
You just repeat yourself, stuck in another rut  
You just repeat yourself, stuck in another rut  
You just repeat yourself, stuck in another rut  
You just repeat yourself, stuck in another rut
