

# Editors, No Harm

I'll boil easier than you,  
Crush my bones into glue  
I'm a go-getter  
The system in red  
The room is inbred  
I'm a go-getter

Don't hold no harm  
Don't hold no harm

My children despise my wonderful lies  
I'm a go-getter  
I see through your walls  
And your space down your halls  
I'm a go-getter

Don't hold no harm  
Don't hold no harm

The fever I feel, the fake and the real  
I'm a go-getter  
My world just expands  
Things just breaking my hands  
I'm a go-getter

Don't hold no harm  
Don't hold no harm  
Don't hold no harm  
Don't hold no harm
