Editors, You Are Fading

I'll lose this I always have, I'll always let you down I'll lose this I always have, I'll always let you down

Make your way up to the stars, It's there where you belong I'll lose this I always have, I'll always let you down.

Waiting, you are Fading, you are Slowly drift off to sleep

Waiting, you are Fading, you are Slowly drift off to sleep

Waiting, you are Fading, you are Slowly drift off to sleep
