

Edu Falaschi, Sacrifice

Spirits sings a spell? Creatures from the Moon
What's all that meaning? What's all that screaming?
The ocean brings the hell
Shadows in the night, strangers from the sea
Serpents are crawling, gods of the north wind?
Are they gods of death?

(Aztecs' fate was full extinction)
The sea brings the fear
(Death and pain in a sadness vision)
Quetzalcóatl
Creator of mankind enforced

All his law (all his law)
On earth (his law on earth)
From the skies (the skies)
And seas (and seas)
Returns (and seas returns)
As a flying snake he's just forbade
Sacrifice

After faced her fears
Malitzen saved the men
Sailors and soldiers and the black bishop
Bodies on the sand
1519, friendship, loyalty
Traitors or victims?
Enslaved or passion?
Born the trinity

(Aztecs' fate was full extinction)
The sea brings the fear
(Death and pain in a sadness vision)
Quetzalcóatl
The feathered serpent enforced

All his law (all his law)
On earth (his law on earth)
From the skies (the skies)
And seas (and seas)
Returns (and seas returns)
As a flying snake he's just forbade
Sacrifice

Oh, go!

(Aztecs' fate was full extinction)
The feathered serpent enforced

All his law (all his law)
On earth (his law on earth)
From the skies (the skies)
And seas (and seas)
Returns (and seas returns)
As a flying snake he's just forbade

All his law (all his law)
On earth (his law on earth)
From the skies (the skies)
And seas (and seas)
Returns (and seas returns)
As a flying snake he's just forbade

From the skies (the skies)

And seas (and seas)
Returns (and seas returns)
God of life enforced his law on earth
