

Edward Maya, I'M IN LOVE (feat. Eliza & Avalok)

Why don't you love me like you always lied
You thought you had me doing what you like
You've been refusing.
Oh, I didn't deny
And now you took it I don't know what is right
(Right right right)
I wanna, I wanna, I wanna be at your side
Don't want to be on my own
(On my own)
I want to be at your side
I want to do it again
I don't know if I am right
If you're feeling the same
(On my own, on my side, yeah)
I want to be at your side
I want to do it again
I don't know if I'm right if you're feeling the same
(Oh yeah yeah yeah)
I wanna I wanna I wanna be at your side
Don't want to be on my own
(On my own)
Oohh la la -- always always la la la
Oohh la la -- always always la la
Oohh la la -- always always la la la
Oohh la la -- always always la la
I wanna, I wanna, I wanna be at your side
Don't want to be on my own (on my own)
I wanna I wanna I wanna be at your side
Don't want to be on my own (on my own)
Oohh la la -- always always la la la
Oohh la la -- always always la la
Oohh la la -- always always la la la
Oohh la la -- always always la la
