

# Edward, Where Did Love Go

ah  
mm  
uh  
So what we had a fight  
it didn't work out  
just right  
baby this is crazy  
how can you be so cold  
where did our love go  
what about the loving and touchin'  
what about it  
it didn't mean nothin'  
nothin'  
where'd our love go

baby where did love go

baby  
this isn't right  
a part of life  
how come you couldn't cope  
baby  
this is crazy  
how can you be so cold  
where did our love go

we would run all night  
on the levy down in New Orleans  
dancing all night  
how can you be so cold
