

Edwin, Amazing

You been talking way to fast
Don't want a snake in the grass
I don't care about what you say
Doing great just where I'm at

I feel amazing (6x)

Fire molly free for me
I just want to let it be
I would rather be alone
Cause you know I'm made of stone

I feel amazing (8x)

Shake it uh huh (2x)

Sorry if you're still dismayed
Too bad for you cause it's to late
I guess this relates to what they say
It all comes back to you in the end

I feel amazing (12x)
