

Edwin Starr, Easin' In

Easin' in
Slick as he can he's easin' in - easin' in
Easin' in
Slick as he can he's easin' in - easin' in

There's a man comin' into town
He don't wanna know that he'll be around
So he's easin' in
Easin' in, easin' in

Like a cat that's stalking its prey
He don't wanna let it get away
So he's easin' in
Easin' in, easin' in

Easin' in
Slick as he can he's easin' in - easin' in

He's easin' in the city
He's dangerous sly and shift
If he should happen to write your name down
Don't you try to fly outta town!
Ya see, he's slick - slick
And he can't be tricked - can't be tricked
He ain't never made a mark - no no no
He could not hit, ow!

Easin' in
Slick as he can he's easin' in - easin' in
Easin' in
Slick as he can he's easin' in - easin' in
Easin' in
...he's easin' in - easin' in
Easin' in
Slick as he can he's easin' in - easin' in
Easin' in
Slick as he can he's easin' in - yeaaah, yeah
Easin' in
Slick as he can he's easin' in, easin' in
