

Edyta Górniak, Whatever It Takes

Whenever you're near,
You take my breath away.
I've nothing to fear,
When you have your arms around me.
No one could ever get close to me.
Until your love came along.

Whatever it takes,
I'll be there for you.
I'll follow my heart,
If only you tell me to.
Wherever you go. Whatever you do.
I'll give you my heart if only you'd ask me to.

Whenever you leave,
You take a part of me.
And I can't believe,
This feeling inside of me.
Now I know you'll always be there for me,
Until forever is gone.

Whatever it takes,
I'll be there for you.
I'll follow my heart,
If only you tell me to.
Wherever you go. Whatever you do.
I'll give you my heart if only you'd ask me to.

Only you can save me,
From the pain I feel inside.
All you need to know is,
Right now, all you need to know is, right now...

Whatever it takes,
I'll be there for you.
I'll follow my heart,
If only you tell me to.
Wherever you go. Whatever you do.
I'll give you my heart if only you'd ask me to.

If only you'd ask me to...
If only you'd ask me to...
Whatever it takes, I'll be there for you.
Wherever you go...
Whatever it takes...
Whatever it takes.
