

Eek A Mouse, Noahs Ark

The wise man builds his house on the rock
The foolish man builds his house on the sand
And when the rain came tumbling down
The foolish man house is washed away

How could the wise man build his house on the sand
How can the wise man build his house within
With no foundation, on the sand

Noah built his ark by the will of God
But see the wicked people ignored him
So he take all, all with himself

A pair, a pair of animal

Bird and cows and goat and horse
wowoy
Lions and tigers oh and zebra

How could the wise man build his house on the sand
How can the foolish man build his house in the rock

he ain't got no wisdom, no wisdom
techie, my brothers techie
wowoy

The wise man builds his house on the rock
The foolish man builds his house on the sand

How could the wise man build his house on the sand
Where on the sand there is no foundation.
