

# eels, Dark End Of The Street

At the dark end of the street  
That's where we'd always meet  
Hiding in shadows where we don't belong  
Living in darkness to hide our wrong  
You and me, at the dark end of the street  
You and me  
I know that time's gonna take it's toll  
We've got to give back all the love that we stole  
It's a sin and we know it's wrong  
Oh but our love keeps coming on strong  
Steal away, to the dark end of the street

They're going to find us  
They're going to find us  
They're going to find us  
Oh someday  
You and me, at the dark end of the street  
You and me

And if by chance we walk downtown  
If you should see me just walk on by  
But darling, please don't cry  
Tonight we'll meet, at the dark end of the street
